## Pass Information:

**Pass cards:** Passes will not be mailed unless requested and \$2 fee is paid.

In approximately 3-6 weeks we should have your passes ready for you. The next time you come to the Zoo after that time just give us your last name and show us your ID to pick up your passes.

**To enter the Zoo:** 1. \* For the quickest entry bring your pass (so it can be scanned) at admissions. Not having your pass does take longer, however, you may also use your personal ID or pass receipt and admissions can look up your pass. 2. Give the Total number of people entering that day on the pass.

*\* Admissions does spot checks of IDs to verify the pass is valid for the person using it, please be prepared to show ID with your pass if needed.*

**The Family, Contributor or Benefactor pass:** Does NOT include friends, aunts, uncles, children 18 or older, or anyone outside of the stated inclusions on the receipt. Improper use of your pass may result in confiscation and cancellation of the pass.

**Youth Supervision:** Children under 12 years old must be accompanied by an adult at all times. There must be one (1) adult for every five (5) children under 12 years old (per Alaska State). There must be one (1) adult for every ten (10) children 12 to 17 years old. If this is not followed we reserve the right to not admit your group to the Zoo or have your group leave the Zoo.

**Add additional people:** You may add up to two (2) additional people to your pass at any time. The addition does not alter the original pass expiration date.

**Coupon packs:** Coupon packs include five (5) individual one time only admissions for \$36 (\$60 value) and may be purchased at any time. Limit of five packs per year.

**Lost, damaged, or worn out passes:** Pass cards can be replaced for \$2 per card. Request duplicates and pay at the admissions office. We will have them for you in approximately 3-6 weeks at the admissions office.

**Expiration:** Your pass is good for one year from the date of purchase. You may renew for another year at any time.

**Operation of the Zoo:** We operate primarily from admissions, pass purchases, donations, and animal adoptions. The Alaska Zoo is a Non-Profit organization.
